An All In(clusive) Story Time

Things You Can Do At Home

Here are some things suggested by Miss Nicole that you can do at home.

Grab a piece of plastic and follow along with the story while Mr. George and Miss Nicole read it. Use markers, buttons, pom-poms, etc. to add to your tree as the leaves, buds, and apples start appearing on the tree in our story.

After the story is over, sort your items. You can sort by color, size, weight.
