An All In(clusive) Story Time

Things You Can Do At Home

Here are some things suggested by Miss Nicole that you can do at home.

Tell the story of the Three Billy Goats Gruff, your way! Grab items from around your house to make the grass, the bridge, the water, and everything else you need to tell this story. What kind of textures do you use? Are they all the same or are some different?

Let's practice some sorting. With your toys, food, pots and pans, whatever you want to use, sort everything into piles. Can you sort by size? By color? By weight? What else can you sort things by?
